Melbourne, Victoria, Australia - 27 November 2012 - [GreenTeaTablets.org](http://greenteatablets.org) (<http://greenteatablets.org/>), a rising new company in providing the latest information on green tea, green tea tablets and fat burning supplements, is your perfect partner this season of giving and eating.

It's almost Christmas time and many families are already on the stage of planning their holiday traditions- setting up the Christmas tree and the nativity, decorating the house with garlands and lights, shopping and wrapping presents for relatives and friends, and planning the menu for the Christmas Eve dinner.

Speaking of menu, this season only comes once a year so celebrate it with a Christmas dinner that the whole family will enjoy. You can choose a theme such as a cocktail party, a modern dinner, Japanese, Chinese or Italian inspired. Then you can start planning your menu from there. You can have prime ribs, honey glazed ham, stuffed roast pork, stuffed turkey, garden fresh salad, freshly baked fruitcake, chocolate buffet, and other mouth-watering dishes. All these foods can really make your celebration extra special, not to mention the extra pounds that you can gain.

But, there's no need to worry. You can still fully enjoy your celebration without worrying so much on the fats and cholesterol. It is proven by many studies that consuming [green tea tablets](#) is very effective in assisting fat burning in our body. Green tea tablets help increase the metabolic rate of our bodies, block the conversion of energy to fats, regulate the blood sugar levels, and reduce the absorption of dietary fats in our body. They are also effective in reducing cholesterol levels, lowering cardiovascular diseases, and lessen the occurrence of impaired immune functions.

Let this Christmas be an enjoyable one not just for your family and friends, but also for you. Feast on your most delectable dishes without stressing over the accumulated fats and cholesterol. Make Green Tea Tablets your partner this Christmas by visiting GreenTeaTablets.org today.
